TEA

Pekoe Tea Edinburgh is a family run, Leith-based business that started in 2006. They have one of the best ranges of high-grade loose-leaf teas in Scotland.

Fingal's Blend

Hand-crafted exclusively for Fingal. This blend is a balance of different Ceylon teas, combined with Assam, Yunnan and First Flush Darjeeling tea to create a refreshing and uplifting afternoon blend.

Breakfast Blend

Made by expert tea blenders in Kolkata, India, it combines a range of Assam teas with a touch of Darjeeling to make a rich and malty infusion that goes well with milk.

Earl Grey

A blend from Scotland with natural essence of bergamot fruit, enlivened with the piquancy of the leaves of the bergamot plant and decorated with Scottish heather.

Gopaldhara TGBOP Second Flush Darjeeling

A fine single estate Darjeeling from the Gopaldhara Estate. Grown at high altitude in the foothills of the Himalayas, this broken leaf tea is full-flavoured and fragrant.

Lapsang Souchong

A black tea originally from the Chinese province of Fujian. Lapsang leaves are traditionally smoke-dried over pinewood fires producing its distinctive smoky flavour.

Chai Black

A blend of premium black teas and whole spices, made by hand in Leith. The result is a sweet, aromatic blend that is at once warming and refreshing.

Sencha Kura Green

This Japanese green tea is picked during the first harvest from the famous Shizuoka region. The young tender leaves provide a fruity aroma and give a delicate sweet flavour.

Jasmine Dragon Pearl

Premium grade Chinese green tea from the Fujian Province. This hand-rolled green tea is naturally scented with jasmine blossoms, resulting in an exquisitely light, sweet green tea.

Highland Rooibos

A blend of South African rooibos combined with flavours picked from Scotland's vast wilderness. Blueberries and rosehips complement the rich honey taste of the rooibos while rose petals and lavender add a soothing aroma.

Berry Hibiscus

A floral infusion blending hibiscus with fruits and berries to offer a sharp, vibrant taste.

Chamomile Flowers

Premium dried chamomile flowers infuse with a blossom aroma and a light, sweet taste.

Peppermint

A naturally caffeine-free refreshing infusion made from the leaves of the peppermint plant.

COFFEE

Brodies buy coffee beans from plantations all around the world, and over many years have developed trusted Fairtrade relationships with farmers and co-operatives. The emergence of single estate coffees from new origins in Asia, Africa and the Americas mean Brodies are always discovering fresh and exciting flavours.
